# HAPPY HOUR TO HELP END RETT

With gratitude and love in our hearts, we invite you to the *Sixth Annual Happy Hour to Help End Rett* in honor of our daughter Brynn and 350,000 others who struggle so bravely with Rett Syndrome. Every dollar contributed to the event goes right to the Rett Syndrome Research Trust to help implement its bold strategic research plan, Roadmap to a Cure. RSRT won't rest until a cure is found, and neither will we. To our loyal and generous friends and family, we could never thank you enough for being on Team Brynn and for helping us change her life and so many other lives. We can't wait to see you on October 5.
